CANOLA

DIAGNOSTIC

SCHOOLS

BCG presents a full day of relevant in-season information. Choose from three morning workshops, and attend an afternoon in-paddock diagnostic school.

Thursday 11 August at BCG Conference Room

73 Cumming Avenue, Birchip

Friday 12 August at Rupanyup Golf Club

Frayne Avenue, Rupanyup

Registration: 8:30am, workshops begin at 9:00am

Cost: BCG members free, non members \$40

RSVP: Monday 8 August

WORKSHOP SESSIONS

Your choice to attend one of the following workshops in the morning:

- Pest Management with CESAR consultants
- Strategic Weed Management with Chris Preston from University of Adelaide
- Precision Ag field tour with Andrew Whitlock from Precision Agriculture

CANOLA DIAGNOSTIC SCHOOLS

Matt Whitney and Matthew Sparke from Dodgshun Medlin will discuss:

- Correct herbicide management
- Knowledge of modes of action
- Identification of herbicide effects
- Understanding conditions to optimise weed control

A rare opportunity to source the most up-to-date information in one place!
